# Kooche

**With its sleek lines and supreme comfort, Kooche is as good to sit on as it is to look at.**

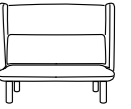

Designed with both comfort and functionality in mind, the Kooche range offers an elegant solution to soft seating that combines regal style, excellent ergonomics, and practicality – all helping to create a more productive and effective working environment for you and your team.

**As stylish as it is comfortable, Kooche brings creativity and sophistication to any environment**

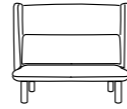

## **Collaborate in comfort with the Kooche Sofa Booth.**

Today's most effective modern workspaces offer a range of different work environments, each designed to suit their purpose. Available in two sizes, the Kooche Sofa Booth creates a space in which you can team up and share ideas, in peace and quiet. Add integrated electrics to create the ultimate powered-up workspace.
